There are Imitations Now

But Newbro's Herpicide was the "First Dandruff Germ Destroyer."

A discovery can be made but once. After that all similar acts become emulations, imitations or an attempt at substitution.

Newbro's Herpicide is a discovery. It was the first remedy ever given to science to kill the dandruff germ. Other preparations have since been offered to the public, some similar in appearance, some in odor, but all bringing the daring promise of doing the same thing that Herpicide has been doing for years.

Every article of this kind is merely one more instance of vicious emulation, vile imitation or a base attempt at substitution.

The "something just as good" story is old, why give it a thought? Herpicide is the Original Remedy. It does what the dandruff and prevents the hair from falling. Rubbing of the scalp stops almost with the first application.

Don't be deceived by "Something just as good." It's your own dandruff that don't keep the genuine dandruff germ destroyer, Newbro's Herpicide, so to one who does.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Send 10c in postage for sample and booklet to The Herpicide Co., Dept. B., Detroit, Mich. Applications may be obtained at good barber shops.

KIDNEYS SELDOM FREE FROM POISON

Clean Them Out and Backache, Sideache and Bladder Troubles

It's mighty close to the truth to say that there are ten thousand apparently healthy people in America today, who will have Bright's disease, dropsy or some form of kidney disease within two months.

If you have backache, or the slightest suggestion of backache, don't take chances. Get a 50-cent bottle of Thompson's Backache Kidney and Bladder Pills and give your kidneys a thorough cleaning. They probably need it. If they don't, Thompson's Backache is a good tonic anyway and will do you good.

Thompson's Backache is guaranteed by Graham & Co., Connelville; S. A. Love & Co., Scottsdale, to cure kidney or bladder disease, no matter how diseased, or money back. Put up in liquid form, is quickly assimilated and goes directly to the seat of trouble.

The very first dose will make your kidneys feel better, but this is in mind when constipation is present. Thompson's Backache and Mandrake Pills should also be used. 25c.—Advertisement.

Do You Need Assistance

IN THE SELECTION OF YOUR WALL PAPER?

There is a logical sequence governed largely by the existing conditions in your home which if followed will produce correct results. Each room should be treated so as to give it correct form and proportions.

Then there is the question of color and design which must suit the individualities of each room as well as harmonize with the adjoining rooms. Especially is this true of parlors, dining room and reception hall or any group of rooms when considered collectively.

I can render you valuable assistance in the selection of your Wall Papers.

We go further and do more for young couples than any housefurnishing institution in Southwestern Pennsylvania. Our immense buying capacity of three stores and our tremendous outlet places us in a position with manufacturers that enables us to sell you the finest furniture at a trifle above the actual wholesale cost, and away below those prices quoted elsewhere.

We show styles in homefurnishings that others can't show because makers recognize in Aaron's a big outlet for their several products and you'll find our styles at least one year and sometimes full two years ahead of those shown elsewhere, and in many cases we show styles that no other stores can show. The most prominent factories in the United States sell to us exclusively for the three cities in which we conduct stores. Our carload quantity buying means far lower prices to you and greater values always. Doesn't it stand to reason that our greater facilities, our larger assortments, our better equipped organization and our greater values that we can do MORE for you than any house in this section of Pennsylvania

A Sale and Demonstration of Hickson Process Lacquer Finish Untarnishable Brass Beds

MAKE THIS TEST

Miss Redmond's demonstration is unique in Brass Bed merchandising. She actually shows in a second how easily ammonia eats off the old style shellac lacquer used on most bedsteads. She then shows how these same beds tested the bright luster of Hickson Process Lacquer Finish on the beds offered during this sale.

These are the only Brass Beds finished with a lasting lacquer that will not come off—the only line of brass beds sold with a guarantee. INSURANCE BOND given with every sale warranting the life of the lacquer finish.

Per-spiration, fly specks, toilet water, damp towels and various liquids eat off the lacquer from ordinary Brass Beds but they do not affect the surface of Hickson Process Lacquer Brass Beds. Even strong acids do not harm it. These Beds can be kept clean with soap and water—or even with a damp cloth. They are then as bright and fresh as when new.

Beautiful Brass Beds at Introductory Sale Prices.

Come and see the unique and interesting demonstration by Miss Redmond and look over our display. Our salesmen will give you every courtesy whether you intend buying or only call for information.

Colonel TODHUNTER of Missouri

By RIPLEY D. SAUNDERS

Copyright, 1911, by the Bobbs-Merrill Company

"If I do, Tom," replied Colonel Todhunter, "I'll be for old Rafe Doggett's sake. He's too good a man to be brought face to face with shame in his old age. Yes, I'll try to do it. Tom, I'd like to see the neck of the young rascal that got old Rafe's granddaughter in such a mess, huh?"

In accordance with this promise Colonel Todhunter found opportunity to speak with Lottie-May Doggett. Very frankly he told her of the danger in which she stood. The girl, vitally beautiful, apparently as carefree as the wild thing of the woods, flashed her hot resentment of his words.

"I ain't thankin' you for what you've just said, Colonel Todhunter," she cried. "It strikes me you're in mighty small business to come to me with this story."

"I reckon I am, Lottie-May," agreed Colonel Todhunter, "but I'm honest. I wanted to save you and your old grandfather from shame, and that's why I done it."

The girl's bosom was heaving with passionate anger. "I'd just like to know who it was that got you to come and speak to me about it!" she exclaimed. "Who was it, Colonel Todhunter? Was it one of them ladies what thinks I ain't good enough now to associate with their daughters? I've got the right to ask you this, and I do ask it. Who sent you here, Colonel Todhunter?"

"It wasn't none of the ladies, Lottie-May," Colonel Todhunter made answer without the slightest hesitation. "It was Tom Strickland. He heard what was goin' on, and he felt sorry for you, the little girl he went to school with when he was a boy. And it ain't meddlin' on his part, either. It was plumb good heartedness."

The girl shivered as if she had been struck. "Tom Strickland?" she repeated, almost to herself. "Tom Strickland? He ain't no more of a man than I am! He's made love to Miss Mary Todhunter, your own daughter. And he knows that I'd lay down and die for him any day he give the word. And it's Mrs. Todhunter that's been told of all this talk about me, and that's goin' to shame me here before all these folks! Oh, but it's a fine game you all are playin' to get me where I can't do no harm to Tom Strickland or to your daughter Mary, his sweetheart!"

She stood rigid, her hands clinched. Then slowly she spoke again. "They can't rule me here before all these folks! Neither Tom Strickland nor Miss Mary Todhunter nor Mrs. Todhunter, nor you, neither! I'll bring you all to law. I'll make Tom Strickland come in for his share of my trouble. Since him and his sweetheart and his sweetheart's mother have set the ball a-rollin', he's got to face the music along with me!"

"What do you mean?" exclaimed Colonel Todhunter.

All color had gone out of the girl's face as she spoke.

"I'll show you what I mean!" she half-whispered, her fingers fluttering at her throat. "I'll show you! I ain't a good girl no more, Colonel Todhunter. I ain't fit to breathe the same air with your daughter Mary. Tom Strickland and the rest of 'em's mighty anxious to get me out of the way. I'm a-goin', too. But not till I've said my little say to Mrs. Todhunter, sir. Not till they've all heard of my doin' it and hell itself come to me the next minute!"

"Stop that, Lottie-May!" cried Colonel Todhunter sternly. "You can't talk that way without reason—and you ain't got no reason to say what you've just said about Tom Strickland!"

For a reply the girl laughed in his face—and the next instant she had darted past him.

Her head high, her eyes flashing, her little hands clinched at her side, her frame all a-quiver with excitement, Lottie-May sped ominously to where Mrs. Todhunter stood, with a group of other Nineteenth ladies, Mary Todhunter standing close behind her mother.

"Mrs. Todhunter," said the outcast girl, her eyes defiantly holding those of the person whom she addressed, "I understand that you want me to leave this party because you think I ain't fit to be here—that I'm a bad woman. Ain't that so, ma'am?"

Mrs. Todhunter was at first shocked into shrieking from the girl. Then she looked at her pityingly.

"Lottie-May," she replied, with a frank dignity, "I'm sorry you've made such a scene. It is true that we think you should not be here. But I was going to tell you this privately, to spare you as much as possible. I interrupted the girl passionately. 'You was a-goin' to put all the shame on me you could! But I'll say my say before you do it, Mrs. Todhunter. And I ain't denyin' anything, either, nor I ain't a-beggin' say of you for mercy. You're goin' to make me pay for my sin, ain't you—me, the sinful daughter of a sinful mother! But why don't you make the man pay at the same time, Mrs. Tod-

OLD FOLKS FIND NEW REMEDY RELIEVES ALL KIDNEY AND BLADDER MISERIES

Drives Rheumatic Pains
Away; Removes Backache
and Bladder Disorders
After a Few Doses
are Taken.

Sleep disturbing bladder weakness, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life.

The new discovery, Croxona, cures all such disorders because it removes the very cause of the trouble. It snags right into the kidneys, through the walls and linings, cleans out the little filtering glands and cells, and gives the kidneys new strength to do their work properly. It neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism; and makes the kidneys filter and sift

out all the poisonous waste matter from the blood and drive it out of the system.

It matters not how old you are or how long you have suffered, Croxona is so prepared that it is practically impossible to take it into the human system without results. You will find it different from all other remedies. There is nothing else on earth like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate case.

It is the most wonderful remedy ever made for restoring the kidneys to health and strength and ridding the system of every particle of uric acid, and you can take it with the utmost confidence that nothing on earth will so quickly cure such conditions.

You can obtain an original package of Croxona at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if Croxona should fail in a single case.—Advertisement.

hunter? That's what I'm asking you. Why don't you make the man pay, too?"

A dead silence followed these words. "Maybe you don't know who the man is?" inquired the girl. "Maybe you can't name him? Maybe that's the reason you ain't doin' no sayin' nothin' against him?"

There was no reply.

"Then I'll tell you who he is!" cried the girl. And at this her voice broke and her fingers again went fluttering to her throat. "I'll tell you his name! It's Tom Strickland, the man that wants to marry your daughter, Miss Mary Todhunter, ma'am—it's Tom Strickland, that's who it is!"

A piteous little cry came from Mary Todhunter. "Lottie-May Doggett hear!" it and laughed.

"Now you've got it good and plenty—both of you—more'n you bargained for!" she cried laughingly. Already she had moved toward the nearest door. Her reckless eyes were full of scornful defiance.

"Make the man pay, too!" she flung back at the group of which now a mother and her downward-awing daughter were the central figures. "Make Tom Strickland pay—along with me!"

The next moment she was gone. (To be Continued.)

The Right Way To Banish PILES

Thousands Bless Dr. Leonhardt, the Physician Who Discovered a Common Sense Remedy.

If you think that the surgeon's knife is the only method of escape from the misery of piles, it's because you haven't heard of the new treatment known everywhere as Dr. Leonhardt's HEM-ROID.

The Doctor's treatment is mostly internal. By experimenting for years he discovered the exact cause of piles and then went further and compounded a remedy that would remove the cause.

Dr. Leonhardt wants every sufferer to benefit by his discovery and so he will be no doubting or delay in his authorized A. A. Clarke and his druggists who handle HEM-ROID to guarantee it to do as stated or money back.

On that honorable basis every sufferer should secure a package of Dr. Leonhardt's HEM-ROID today. 21 days' treatment \$1.00.—Advertisement.

SEVENTEEN CUBS UNABLE TO STOP PIRATE RUSH

Pittsburg Defeats Chicago in Cubland, Winning by Score of Eight to Five.

Although he made a brave effort to stop the victory, using 17 players in the attempt, Johnnie Evers and his band of husky bears were unable to halt Fred Clarke's Pirates, Pittsburg winning the contest, score 8 to 5. BETTER THAN MEDICINE

Breathes Freely and Be Rid of Catarrh—Chest Stopped-up Head.

Nature has a remedy for catarrh and troubles of the breathing organs. A treatment that is far better than using the stomach with medicine. It is the healing oils and balsams of Iyomel which moderates the air you breathe, reaching the most difficult spots in the nose, throat and lungs, killing the catarrhal germs, and restoring health to the mucous membrane.

In using Iyomel you are treating your catarrhal troubles with the natural remedy, for it gives a curative air bath to the air passages. It has a powerful healing and antiseptic effect similar to the air in the mountains where the foreign give off the fragrant and healing balsams.

Iyomel has benefited so many sufferers of the worst cases of catarrh, with offensive breath, running of mucus, frequent sneezing, drooping in the throat and spasmodic coughing that it is sold under an absolute guarantee to refund the money if it does not do all that is claimed for it. If the treatment does not help you, there will not be a penny's expense, while it cures the rest is nominal. A complete Iyomel outfit sells for only \$1.00. Extra bottles of liquid if later needed 60 cents.

ROCKWOOD.

ROCKWOOD, April 14.—The case which has been pending in court for several months past relative to damage alleged to have been done to the Central Avenue Brick Company's plant and operations of R. H. Verney, J. A. Berkey and others by the Connelleville & State Line Railroad Company passing through the properties of the above named parties about a mile west of Rockwood, has been postponed until April 28th.

For some time it has been thought that the Consolidated and Company would extend the Wilson Creek branch to their new coal field but it appears that the company has changed its plans and will open the new coal deposits along the main line of the Baltimore & Ohio about three miles east of Rockwood near Mr. Spadden quarry. Harry Phillips, who has been mine superintendent at Wilson Creek for some time, has been appointed supervisor of three mines at Allegheny, Lisle and the new one about to be opened.

Ray, J. Grant Walter of Cleveland, Ohio, arrived in Rockwood last week where he is at the bedside of his father, C. A. Walter of Gahlers, who is seriously ill and not expected to recover.

Mr. and Mrs. J. D. Snyder of Pittsburg, are guests of the former's parents, Mr. and Mrs. J. D. Snyder of Pittsburg. Mr. Snyder is at present manager of the Pittsburg office of the McMillan Publishing Company.

Redfern

Mould the Figure to Supple, Graceful Lines

Look at that line as shown in the picture—that slender, slightly curving line from shoulder to thigh. That is one of the "lines of youth"—lines that are in every woman's figure, merely waiting to be emphasized by the proper corset.

There are many reasons why Redfern is the proper corset. One of them—and it is vastly important—is that this corset gives any woman who wears it—who takes pains to wear it properly—the slender lines of real youth—minus any discomfort.

There's a special Redfern corset for every woman's figure—having extra stout—and it has particular corsets in other lines for large women. Come to the Corset Shop on the second floor and be fitted to your model by an expert corseteer.
